*Sir,*

I have the honor to forward herewith an application from Mr. G. M. Dominick, Assistant Director Public Health Institute, for an appointment in one of the Research Laboratories in India, for kind transmission to the Director General, Indian Medical Service, Simla.

2. Mr. Dominick has been in the Public Health Institute for a year and during this period was found to take much interest both in Bacteriological as well as Chemical work.

3. He seeks employment outside Mysore as he finds his present pay very low as compared with what can be had elsewhere for the skilled, technical work of the kind on which he is employed. I am sorry to lose his services but I cannot very well see my way to prevent him from bettering his prospects elsewhere.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Sanitary Commissioner.
